Need to create a page that has “news” and “press coverage” tabs. \ Within each are posts with images, text, and a hyperlink. Need to be able to add more widgets easily in Divi.

Tabbed pages

Immerse yourself in visionary narrative change strategies, groundbreaking field-building approaches and new insights into pop culture for social change. Browse our collection of case studies, essays, podcasts, digital magazines and more.

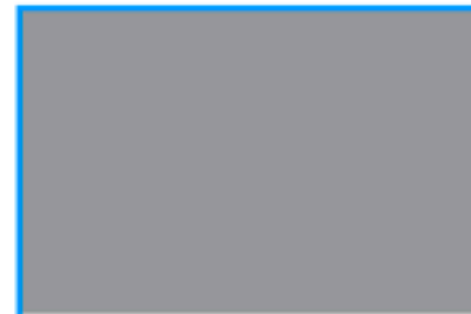

Sort by Category: **Anniversary Reports** ▾

#### 30 years od Radical Generosity

Read our 30th Anniversary Report to learn more about the history of The New York Women's Foundation and what we've accomplished in the past three decades.

[Download PDF](#)  
[Read the Report](#)

#### The First 25 Years

In the quarter century since The New York Women's Foundation (NYWF) was launched by a small group of visionary women, it has matured into a significant, effective, and influential institution.

#### 30 years od Radical Generosiv

Need to create a page that has the ability to sort (kind of like tabs) between content. The content is similar to the news section, in that it will have an image, header text, text, and buttons to open PDFs.

Part of this task is uploading the PDFs in the media section and attaching them to the right widgets here.

Mobile

Design all pages of the site  
to be clean and mobile  
friendly
